PATENT APPLICATION

**REMARKS****IN THE DRAWINGS:**

In response to the Notice of Allowance dated August 10, 2005, formal drawings and issuance fees were submitted by the applicant on October 14, 2005. A Notice of Drawing Inconsistency with Specification dated January 6, 2006 was issued by the Office and an appropriate response was timely filed by the applicant, resulting in an examiner's amendment to the Specification. Presently, a SUPPLEMENTAL NOTICE OF ALLOWABILITY dated May 26, 2006 has been issued by the Office and is responded to herein. The examiner has indicated that Figure 1 should be relabeled as Figure 1a to reflect labeling in the Specification.

Therefore, a new sheet with relabeled Fig. 1a is enclosed herewith and its entry is respectfully requested. This application should now be ready for issuance/printing, and the applicant urges that issuance be expedited.
